## **Brandon Chamber Launches in Brandon Mississippi**

Brandon MS – We’re proud to announce the formation of the Brandon Chamber, for the Brandon MS community. The initial Board of Directors is comprised of the original principals of Brandon042 Events, LLC, which recently produced the successful Brandon St Paddy’s Kids’ Parade in Downtown Brandon MS on Saturday March 18<sup>th</sup> 2023.

Five additional business leaders have been added to the Brandon Chamber Board of Directors. These volunteers are excited and committed to the concept of a business chamber targeting the Brandon area, and looking forward to promoting existing and future Brandon businesses.

“Our Board is excited about this endeavor, and committed to growing our business community, while creating and hosting community activities and events. We’ve had a plan for this for a while, and even held our kids parade as a warm-up. We have a talented and motivated Board ready to move forward as an official chamber for the community”, says Brandon Chamber President, Lance Stevens. “We’ll hit the ground running with our next event tomorrow, our Inaugural Brandon Law Enforcement & Fire Crawfish Boil. The Chamber loves the Brandon area and we are committed to making a difference.”

More information on the Brandon Chamber is available on their website, at [www.BrandonChamber.org](http://www.BrandonChamber.org). Local businesses are encouraged to join the new Brandon Chamber.
